

## PHOTO RELEASE

As part of US Figure Skating's Safe Sport Initiative, **Level Up Performance Skating LLC** and its affiliates have implemented a new policy on the use of photography and video. Level Up Performance Skating LLC will publish a photograph or video of an athlete under the age of eighteen (18) years of age only with the consent of the athlete's parent or guardian. Parents or guardians have the right to refuse to have their child photographed or videotaped and may revoke their consent at any time. Exercising this right shall not be used as ground for excluding an athlete in any Level Up Performance Skating LLC events, activities or the like. All photographs and videos taken by Level Up Performance LLC, its affiliates, assigns, or designated photographer, must observe generally accepted standards of decency. The parent or guardian acknowledges that consent may include, but is not limited to, posting the photograph on the Level Up Performance Skating LLC website, use in newspaper articles, displays including, but not limited to, bulletin boards, banners, slideshows, and promotional material, and in videos used for training or instructional purposes only.
